### **SUBJECT**

The Consolidated Fire Protection District of Los Angeles County (District) is requesting approval to accept \$64,000 in federal grant funding from the California Emergency Management Agency (CalEMA) 2012-2013 (12-13) Hazardous Materials Emergency Preparedness (HMEP) Grant Program (HMEP Grant Number 001).

This grant is performance-based and builds upon capabilities developed with funding awarded to the District through the 2009-2010, 2010-2011, and 2011-2012 HMEP Grant Program. Approval of the recommendations now before your Board will allow sufficient funding for the District to implement the eight-hour Highway and Rail Awareness Exercise Program in the Central and North Regional Emergency Operations Bureaus; and, to conduct an annual review of the District's Hazardous Materials Emergency Preparedness Plan (HMEPP).

The purpose of the Highway and Rail Emergency Awareness Exercise Program is to ensure District first responders are provided the necessary skills to enhance situational awareness, improve incident scene safety and mitigation, and increase their proficiencies when responding to a highway and/or rail hazardous materials transportation emergency incident. With funding awarded through the 2011-2012 HMEP Grant, East Regional Emergency Operations Bureau personnel successfully participated in and completed the Highway and Rail Emergency Awareness Exercise Program.

The HMEPP provides emergency response guidelines and protocols for first responders to effectively prepare and respond to hazardous materials incidents inclusive of transportation accidents, fixed-facility releases, and any other hazardous materials emergency that occurs. An After Action Report (AAR) will be created upon completion of the Highway and Rail Emergency Awareness Exercise Program for Central and North Regional Emergency Bureau personnel. Based on the AAR recommendations, the HMEPP will be updated accordingly.

The grant funds will be used to offset the cost of the following:

- Services and Supplies \$4,000
- Salaries and Employee Benefits \$60,000

The grant funding for Services and Supplies will be utilized for expenditures associated with exercise materials and office supplies to support the Highway and Rail Emergency Awareness Exercise Program. Salaries and Employee Benefits will include reimbursement of project management and working group staff salaries.

## **Implementation of Strategic Plan Goals**

Approval of the recommended actions are consistent with the County's Strategic Plan Goal Number 1, Operational Effectiveness, to "maximize the effectiveness of processes, structure, and operations to support timely delivery of customer-oriented and efficient public services."

#### FISCAL IMPACT/FINANCING

The District's Fiscal Year 2012-13 operating budget includes sufficient funding for these services.

Grant recipients must provide 20 percent of the direct and indirect costs of all activities covered under the 12-13 HMEP Grant Program. The District's Executive Budget Unit has sufficient funding in the amount of \$16,000 to meet this 20 percent cost share requirement.

There is no impact on net County cost.

The Honorable Board of Supervisors 11/13/2012 Page 3

#### FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The performance period for the 12-13 HMEP Grant Program is October 11, 2012 through September 30, 2013.

#### **CONTRACTING PROCESS**

Purchase of services and supplies is under the statutory authority of the County Purchasing Agent. Any and all purchases will be requisitioned through, and accomplished by the Purchasing Agent in accordance with the County's purchasing policies and procedures, established by the Internal Services Department.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**
